Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: My compounded prescriptions have helped
me enormously as I go through my peri-menopausal
years. I have great concerns about the "inordinate
amount" definition in the M.O.U. This could greatly
affect my ability to receive the medication I need.
